How We Issue Cover

We appoint agents to act on our behalf to issue, vary, renew or cancel this policy under a binder. A binder is a special arrangement that allows our agent to enter into risk insurance policies on behalf of the insurer as if they are the insurer. This means that the insurance policy that our agent issues to you is binding on CUMIS Insurance Society Inc. ABN 72 000 562 121 AFSL 245491 (Incorporated in the United States. The members of the Society have no liability.) trading as CUNA Mutual General Insurance, just as if we had issued the policy directly to you.

Product Disclosure Statement

- The first section highlights important information about this insurance policy including its significant features and benefits, the risks and some information about how the premium is calculated.
- The second section is the policy wording and sets out all the standard terms, conditions and limitations of this insurance policy.

It is up to you to choose the cover you need and ensure it is appropriate for your objectives, financial situation or needs. Because of this, it is important that you read both of these sections carefully before you apply for this insurance, to make sure you understand the insurance cover provided and the policy's limitations.

If you apply for this insurance without reading the whole of this PDS, you should ensure that you read it as soon as possible and in any case, before the cooling-off period expires.

Some words throughout this PDS have special meanings and you should refer to the section "Words that have Special Meanings" which commences on the first page of Section 2.

For future reference, you should retain this PDS in a safe place.

How to Apply for this Insurance

Before you apply for this insurance it is important that you read, understand and accept your duty of disclosure and our privacy promise. You can apply for this insurance by completing our application process that is administered by the Direct Insurance Network (DIN) located at your financial institution.

If your application is accepted, you will receive a policy schedule that identifies the insured(s), the insurer, the period of insurance, the premium, the taxes and stamp duty paid in the premium, the cover(s) selected, the limits of liability, any excesses and other important information.

Your Duty of Disclosure

The Insurance Contracts Act 1984 imposes a duty of disclosure on you when you first enter into an insurance policy with us, and you renew, vary, extend, reinstate or replace your insurance policy.

1. Your Duty of Disclosure when you first enter into the policy with us.

What you must tell us

When answering our questions, you must be honest. You have a duty under law to tell us anything known to you, and which a reasonable person in the circumstances would include in answer to the question. We will use the answers in deciding whether to insure you and anyone else to be insured under the policy, and on what terms.

Who needs to tell us

It is important that you understand you are answering our questions in this way for yourself and anyone else that you want to be covered by the policy.

If you do not tell us

If you do not answer our questions in this way, we may reduce our liability under the policy in respect of a claim and/or cancel the policy. If you answer our questions fraudulently, we may refuse to pay a claim and treat the policy as never having worked.

Before you renew, vary, extend, reinstate or replace this insurance policy with us, you have a duty under the Insurance Contracts Act 1984 to disclose to us every matter that you know, or could reasonably be expected to know, is relevant to our decision whether to accept the risk of the insurance and, if so, on what terms. Your duty however does not require disclosure of a matter:

- that diminishes the risk to be undertaken by us;
- that is of common knowledge;
- that we know or, in the ordinary course of business, ought to know;
- where we waive your requirement to comply with your duty.

If you do not tell us

If you fail to comply with your duty of disclosure, we may be entitled to reduce our liability under the policy in respect of a claim or may cancel the policy. If your non-disclosure is fraudulent, we may refuse to pay a claim and treat the policy as never having worked.

If you breach or do not comply with the terms of the policy, subject to the Insurance Contracts Act 1984, we may refuse to pay your claim or reduce any payment.

Automatic adjustment of sum insured

We automatically adjust your sum insured on renewal in line with the annual CPI for the year immediately prior to your renewal. Any CPI increase advised by us is optional and you may choose a different sum insured to suit your current requirements.

MemberCare – Investor Insure Policy

Under-insurance

It is important that the sum insured you select for your home and/or your contents reflects the true replacement value, and should also make allowance for those additional costs that can be incurred in rebuilding your home. If you select a figure that is too low you may not be able to replace your home and/or your contents in the event of a total loss. If you select a figure that is too high you may be paying unnecessary additional premium.

Policy limits

Limits apply for some items, e.g. the limit for high risk items is \$2,000 for any one item and 25% of the contents sum insured for all high risk items. You can however advise us of high risk items with higher values and they will be listed on your policy schedule.

Excesses

An excess is the amount you have to pay or contribute in the event of a claim under the policy. You may be subject to one or more excesses under the policy. A full description of all the excesses that may apply can be found on page 20 of the policy wording. Where the amount of the excess is not set out in the policy wording the amount is displayed on your policy schedule.

Disclosure

You have disclosure obligations under this contract of insurance, which are set out on page 7 of this PDS. Failure to comply with these obligations can have serious consequences in terms of your insurance cover or in the event of a claim being made by you.

Related tenant

This contract of insurance does not provide cover in some circumstances where your tenant is a member of your family or employed by you.

Payments

Through your financial institution, we offer you various ways in which you can pay for your premium. If you fail to pay the premium for the policy, subject to the Insurance Contracts Act 1984, we have the right to cancel the policy. See General Conditions on pages 50-52 for full details and consequences if you elect to pay by instalments.

Standard Cover

The terms of this insurance contract vary from standard cover prescribed under the Insurance Contracts Act 1984.

Section 1 – Significant Policy Information

General Exclusions of this Insurance

The insurance we offer to you under the policy provides cover for certain events. There will be situations where the policy provides no cover at all. - any amounts in excess of the sum insured;
- faulty workmanship, faulty design, structural defects;
- the action of the sea, subsidence or erosion;

Confirmation Facility

You may obtain confirmation of any policy transaction by calling 1800 730 121 or emailing insuranceservices@cunamutual.com.au

How We Price this Insurance Product

Our product pricing philosophy is based on a number of criteria. Some factors are pre set and don't vary for each insured (e.g. amounts we take into account for certain internal costs and expenses). Some information you provide to us about your personal risk situation relevant to the policy can affect the end price, such as:

- the type of insured property (e.g. home or contents) being insured and matters relevant to it (e.g. your home's size, construction, location and use);
- the type(s) and amount(s) of cover you require, excess levels and the period for which you want the cover (where this is optional); and
- your relevant claims and insurance experience.

Factors that increase the risk to us generally increase the premium (e.g. higher sums insured or a high claims experience) and those that lower the risk, reduce the premium payable (e.g. lower sums insured, higher excesses or your level of security). If you have any queries on this you can ask us when you apply.

Your premium also includes amounts that take into account our obligation (actual or in some cases estimated) to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty, GST and Fire Services Levy) in relation to the policy. Where we are required to pay an estimated amount (for example for

MemberCare – Investor Insure Policy

a Fire Services Levy) based on criteria set by the government, we allocate to the policy our estimate of the amount we will be required to pay. We may over or under recover in any particular year and we do not adjust your premium because of this.

The premium charged together with the actual amount of these individual taxes and/or charges will be displayed in your policy schedule.

Our Service Commitment – Dispute Procedures

CUNA Mutual General Insurance is committed to service excellence. An integral part of our service excellence is the provision of an efficient, free and fair internal dispute resolution procedure.

Should you have a complaint in connection with the policy, relating to a claim, our service or that of our agents or any one else acting on our behalf, please contact us directly and we will do our utmost to resolve the problem. Our contact details are shown on page 6. If the service officer receiving the complaint cannot resolve it, it will be referred to a Manager with sufficient authority to deal with the complaint. A written response will then be issued within 15 working days.

If this is not satisfactory to you, at your request, the matter will be treated as a dispute and referred to our Internal Dispute Resolution Committee (IDR) comprising persons with the appropriate experience, knowledge and authority to deal with it. This is a free service to you. A written response will be issued within 15 working days of the dispute arising. This response will also provide details of further action that you may take if the dispute is not resolved to your satisfaction.

If the above internal process does not result in the dispute being resolved you may contact:

Financial Ombudsman Service Limited
GPO Box 3, Melbourne VIC 3001
Telephone 1300 78 08 08 (local call fee applies)

The Financial Ombudsman Service consists of a group of specialist advisers that are independent from insurance companies and whose purpose is to assist in the resolution of such disputes and is at no cost to you.

Which excess applies to your claim?

1. Sum insured after a claim

The sum insured for any section of the policy will be reinstated following loss or damage without payment of additional premium. In the case of a total loss where the sum insured is paid in full, cover will cease under that section of the policy from the date of the total loss, and you will not be entitled to any premium refund.

2. Legal representation and costs

We have the right at our discretion to represent or defend you in respect of any legal liability as we see fit.

3. Hazardous or dangerous goods storage

If you are storing hazardous or dangerous goods at your site, you must comply with all relevant laws and regulations.

4. Retaining evidence of the value and proof of ownership of the insured property

Wherever possible you should keep evidence of the value and ownership of all property covered under the policy. We are entitled to receive this evidence if you make a claim. Receipts and valuations will be some evidence of the value of your property, whilst photographs and instruction books will be some evidence of ownership. If you are unable to produce such evidence we may not pay your claim.

5. Taking precautions

You must take all reasonable precautions to safeguard your home and your contents from damage, maintain them in good condition and avoid risks of injury arising from them.

6. Security devices and burglar alarms

We will not pay for loss or damage caused by or arising out of theft or burglary if any security device installed or declared to be installed is not:

- (a) maintained in an efficient working order; and
- (b) in operation whenever your site is unattended.

7. Cancelling the policy

You may cancel the policy at any time by advising us in writing or by phone. We will refund to you the unexpired portion of the premium less any administration cost.

We may have the right to cancel the policy if you have:

- (a) failed to comply with your duty of disclosure;

8. Paying your premium by instalments

If you are paying your premium by instalments:

- (a) if an instalment remains unpaid for a period of one month or longer, we will cancel the policy;
- (b) if a claim is settled on a total loss basis you must pay all remaining instalments to the expiry date. We will deduct these amounts from the amount we pay.

9. Notification of change of risk

You must notify us in writing or by phone if, during the period of insurance a change is made to your home or your contents that might materially affect the nature of the risk against which you are covered under the policy.

You must notify us in writing or by phone as soon as possible but no later than renewal if, during the period of insurance you are charged with or convicted of any criminal offence.

We may charge an extra premium, add special conditions or cancel the policy if these changes occur.

10. Breach of policy

If you are in breach of or do not comply with the terms of the policy, subject to the Insurance Contracts Act 1984, we may refuse to pay your claim, in whole or in part.

We will include any excess you have paid in this recovery action, but your excess will not be refunded to you until we have recovered the full amount of the claim plus any costs we incur in the recovery action.

12. Goods and Services Tax (GST)

If you make a claim under the policy and a payment is to be made by us which results in an acquisition of goods or services or some other supply, whether or not the acquisition is made, we will reduce any payment to be made by the amount of any input tax credit to which you would or will be entitled to if you were to purchase replacement goods or services.

If you make any claim under the policy, you must inform us of any entitlement you may have to claim an input tax credit for the GST amount charged on the policy, and the proportion of the GST that you can claim as an input tax credit.

If you make a claim under the policy where a payment is to be made by us and instead of making a payment for the acquisition of goods, services or other supply, we make a payment as compensation, we will reduce the amount of any payment by an amount equal to any input tax credit to which you would or will be entitled to as if the payment had been made to acquire any such goods, services or other supply.

13. Persons bound

Any person who may be entitled to make a claim under the policy is bound by these terms and conditions.

Any statement, act, omission or claim by any of you is a statement, act, omission or claim by all of you.

We shall be entitled to raise against any of you and against any other entity entitled to make a claim under the policy any defence available against any of you.

You must retain any evidence of any loss or damage to your insured property and make this evidence available to our representative for inspection.

6. Co-operation

You must furnish us with all information and assistance we request in relation to the claim.
