Joint account & signatories	The S25 can only be held in the name of one eligible account holder. You may authorise a person (signatory) to operate on your account. Your signatory has access to all savings and investment accounts under your Membership. You are liable for any debits, credits, fees, charges & interest incurred on the account by the signatory. Your authority is in force until we process your written cancellation or get written notification of your death. Your signatory's identity must be verified before we accept your authority. If two or more signatures are needed to operate the account, all signatories must change authority to operate instructions (eg reversion to either to sign) in writing. Some facilities may not be available. NICU is not liable for any damage/loss caused by any authority you issue, or delay in processing your cancellation of authority. You authorise us to freeze such accounts for such time as we deem necessary. In cancelling an authority you should request cancellation of the signatory's codes & electronic addresses for receipts.
Direct debits, credits & periodical payments	For direct debit, credit and periodical payments you must give correct Membership and account information to Billers and Suppliers. We determine the order of payments made. We are not liable to you or any other person should we fail or refuse to make a payment. Your payment can only draw on the available balance.
