If the primary account holder dies we require the surviving account holder to transfer all funds/facilities into a Membership in their own name within a 3 month period or to close the Membership. Written notifications to us of bankruptcy or mental incapacity of one joint account holder causes the account to be frozen until certain evidence/instructions can be provided. You may authorise a person (signatory) to operate on your account. Your signatory has access to all savings and investment accounts under your Membership. You are liable for any debits, credits, fees, charges & interest incurred on the account by the signatory. Your authority is in force until we process your written cancellation or get written notification of your death. Your signatory's identity must be verified before we accept your authority. We are not liable for any damage/loss caused by any authority you issue, or delay in processing your cancellation of authority. You authorise us to freeze such accounts for such time as we deem necessary. In cancelling an authority you should request cancellation of the signatory's codes & electronic addresses for receipts.</p>

Direct Credit: the Supplier may require your written authorisation to commence making a payment. We may refuse deposits from a Supplier who is not registered in the Direct Entry Scheme with a current supplier number.
