Member Loyalty Program (MLP) – helping you avoid or reduce your fees	<p>Most Members can operate accounts at no cost. Many of our fees are rebated: depending on the type of accounts you have and their balances, some fees are reduced or free. The Monthly Relationship Balance (MRB) is the total of average monthly balances of your loans, drawn down overdraft balance, savings and investment accounts linked under the Membership number. Example: if your average monthly balance of your savings account was \$1,000 and of your home loan was \$40,000, your MRB would be \$41,000. PLEASE NOTE: for the purposes of MLP calculations the balance of the Internet Saver Account (\$99) and the Future Plus Account (\$80) are excluded. The Monthly Transaction Rebate (MTR) (number of transactions rebated before a fee is imposed) is calculated on your MRB. Example: if your MRB is \$41,000 your MTR is \$41. The greater your MRB, the more your MTR will be. MTR does not carry over to the next month. Transaction costs exceeding your MTR and non-rebated fees are payable. See below for other ways to help you save. Multiple Memberships: apply to select one account (savings, loan or investment: choose the account with the largest absolute value) and link to operating accounts. Example: select your home loan account to link to your primary operating account in each Membership. Change your nominated accounts by completing a form. Note: Internet Saver Accounts (\$99), Future Plus Account (\$80) and accounts in the name of a superannuation fund or trust are not eligible to be linked to accounts held in other names.</p> <p>Personal accounts with MRB \$30,000 and over & Non-Personal accounts with MRB \$50,000 and over are exempt from excess rebated transaction charges. Home Loan Rewards: enjoy the benefits of the MLP even when your home loan balance falls below \$30,000. For eligible home loan accounts we extend the effect of MTR for rebated transactions until the loan is repaid. Conditions apply: personal Memberships only. Eligible loan accounts: L28, L29, L31, L32. The loan account must not be in arrears or in default of the loan terms & conditions. Home Loan Rewards apply only to access methods listed in the 'Rebated Transactions & Services' section of this PFS as amended from time to time. All other fees and charges are not rebated and are payable by the Member.</p> <p>Redicard/VISA Debit card transactions: all Members receive 5 free rediATM/NAB ATM withdrawals and 5 free EFTPOS debits per month.</p> <p>You may be eligible for special circumstances consideration: see categories below. Conditions apply and approval is subject to NICU's discretion. Only one allowance at any time may be applied to a Membership. Ask us for an application form and provide proof of entitlement (set out below). Note: the Yes Account (\$25) is not eligible for Remote Member or Full Time Student fee allowances.</p> <p>Remote Members without Branch/rediATM/NAB ATM access: count the first 5 non-rediATM/non-NAB ATM transactions as part of the 5 free rediATM/NAB ATM transactions: you pay the direct charging fee, but the first 5 non-rediATM/NAB ATM withdrawals are not charged the non-rediATM/non-NAB ATM usage fee.</p> <p>\$15 rebate allowances: apply automatically to Memberships where the primary account holder is 0-18 years, or 55 years and over. Other allowance options include:</p> <p>Community Support Organisation: proof of registration as a charity or not-for-profit organisation.</p> <p>War Veteran: certified copy of Veterans Affairs Card.</p> <p>Member with a disability: certified copy of evidence of receipt of disability support pension from Centrelink.</p> <p>Full Time Student: certified copy of student card.</p>
