Target Market

Description of target market: retail clients who:

- Need a savings account offering higher returns even if that means restrictions on access to the funds
- Are able and intend to make regular deposits
- Need the ability to withdraw funds at call if needed, even if that means that a lower interest rate will apply
- Meet the eligibility requirements:
 - Christmas Club: all retail clients
 - Cash Management: all retail clients
 - Super Saver: child aged 0-12 years old
 - Teenage Account: individual aged 13-19 years old
 - Bonus Savings: all retail clients
 - Smart Start Bonus Saver: individual aged 18-29 years old, receiving a minimum payroll credit of \$1500 electronically
 - Internet Saver: all retail clients who are also Online Banking users.

Description of product, including key attributes: the key features of these products are:

Distribution

Distribution conditions: this product is distributed by the issuer through the following channels:

- NICU branches
- NICU call centres
- Online NICU's website.

Distribution conditions for this product include:

- Ensuring that retail clients meet the eligibility requirements for the product
- Ensuring that distribution through branches, call centres, and NICU website application, is by appropriately trained staff.

There are no other distributors for this product.

Review Triggers

The review triggers that would reasonably suggest that the TMD is no longer appropriate include:

- A significant dealing of the product to consumers outside the target market occurs;
- A significant number of complaints is received from customers in relation to their purchase or use of the product that reasonably suggests that the TMD is no longer appropriate;
- A material change to the product or the terms and conditions of the product occurs which would cause the TMD to no longer be appropriate;
- A significant number of account closures that reasonably suggest the TMD is no longer appropriate.

The Product Governance Framework includes regular consideration of whether there has been a review trigger following each distribution information report. That consideration is by reference to paragraphs 154 to 156 of RG 274.

Review Periods

Distribution Reporting Requirements

First review date: 6 months after the effective date of the TMD first being issued, being 5 April 2022. **Periodic reviews**: subsequent periodic reviews every 2 years after the effective date of the TMD first being issued, commencing 5 October 2023.

The following information must be provided to NICU by distributors who engage in retail product distribution conduct in relation to this product:

Type of information Description Reporting period Date range of the significant Significant dealing(s) As soon as practicable, and in any case within 10 dealing(s) and description business days after becoming aware.
